Part-time Assistant Financial Manager / Student

Quick and dedicated learner in many tasks, whether it be labor, customer service, web and database entries, problem discovery, and gathering finnancial record data.

Work Experience

Event Employee / Delivery assistant

Aladin Jumpers
2021-2021

Worked with a delivery driver(s) to deliver and retrieve ordered products. This also includes on field set up of products such as bouncy houses, tables, chairs, and other items. If required, remained on site until the end of the event.

- Worked with various groups to set up ordered items such as custom tents, inflatables, stages, etc at specific locations
- Ensured guest satisfaction with placement and set up of products
- Managed and manned concession machines during events
- Managed and supervised mechanical and inflatable amusment rides such as the

mechanical bull and various bounce houses with little to none customer complaints

Customer Service Representative

Aladin Jumpers
2021-2022

Handled client calls and complaints on a daily basis to resolve inquiries and last minute dilemmas. This includes using and inserting data into the companies database

- Resolved 15+ customer inquiries daily via phone and email.
- Communicated with higher ups when descovering pricing descreptancies / missing products
- Plant and schedule driver routes to ensure timely arrivals per order

Website Manager

Aladin Jumpers
2022-Present

Adjusted the company site daily to fix missing elements and product descriptions such as their size, price, details, requierments, etc

- Communicated with field drivers and managers to discover unit requirements and create rules per product
- Maintained persistent communication with manager to understand recommended changes and ideas
- Comunicated with company website domain host to make several changes to the sites layout to better the customers experience.
- Documented each step of the process to fix product images, create descriptions, and efficiently add products
- Created a file structure to unite all loose images of products and events that is simple to locate specific products

Assistant Financial Manager

Aladin Jumpers
2025-Present

- Designed graphic banners on a monthly basis to promote company products.

Worked alongside the companies finnancial officer to assist in inserting values and record keeping.

- Assisted in entering digital customer payments
- Maintained active communication and reporting of missing payments on a monthly basis
